ABOUT US

20+ YEARS OF EXPERIENCE

OUR SERVICES

From the boardroom to the arena and every place in between, Premier is a full-service event company that provides audiovisual services for events of all sizes.

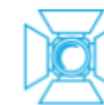

Video

From projection and LED to broadcast 4k multi-cam systems, Premier has the technology and experience to effectively deliver your message. Our inventory includes reliable brands like Sony, Christie, EIKI, Blackmagic Design, Barco and NewTek.

Audio

Coupled with passionate, experienced sound engineers, we offer full-service audio production for any size event. Our extensive inventory includes YAMAHA, Avid, Nexa, Shure, QSC and d&b audiotechnik.

Lighting

Premier creates versatile lighting designs for maximum impact. Our customized inventory of rigging, truss and lighting fixture brands include Robe, Tyler Truss, Avolites, Chroma-Q and High-End Systems.

Scenic Design

Our passion is to help our customers create an experience that will have a lasting impact on their audience. Our in-house design and fabrication department allows us to create scalable and modular solutions that are uniquely targeted for your audience.

Creative Services

From initial CAD design to final execution, Premier has an experienced creative team dedicated to making your event one to be remembered.

Conventions

As the onsite, preferred partner for Detroit's COBO Center, Premier provides in-depth knowledge of the facility. From exhibits, to main hall, to everything in between we have the technology and crew to make it happen.
